INTERMONT

DEDICATED TO

To the one who has always listened
to our problems
and helped in any way he could;
to the one whose home
is always open to those who need him,
no matter when it may be;
to the one who will
always be remembered in our hearts
as the spirit of V. I.;
to the one who has
always shown us the power of a smile
over a frown;
to Dr. Floyd V. Turner,
we, the Senior Class of 1958,
most humbly and gratefully
dedicate this,
our INTERMONT.

Guidance

Dr. Floyd V. Turner

The pride and joy of V.I. and her daughters is Dr. Floyd V. Turner, President of Virginia Intermont. Although this is only his second year at this position, he has proved to be the key to Inter-mont's present success. Informality and casualness are two of the many characteristics that make him the beloved person he is.

His interests, other than the college and her girls, are his charming wife and their two children. We consider ourselves more than fortunate to have the guidance of such an outstanding and admirable person as Dr. Turner.

President

Dean Carl E. Todd

Planning the curriculum, selecting vacation dates, and helping to solve each girl's problems are the major responsibilities of our new Academic Dean, Carl E. Todd.

Dean Todd has been accepted with overwhelming approval by the whole student body. He has done a wonderful job during this first year, and each one of us is indebted to him for making 1957-58 the successful year it has been for us.

Academic Dean

Miss Lucy Timmerman

Dean of Women

Being a Dean of Women is one of the most difficult but one of the most rewarding careers a woman can have, and no one could be more aware of this than Dean Lucy Timmerman. Working with and for the girls on V.I.'s campus, Miss Timmerman has become a great part of life at Inter-mont during her first year at our college. She is always on hand to listen to and advise each student about her problems or difficulties.

Because of her desire to work with people, she is doing a splendid job as Dean of Women.

Miss Reita Rivers

Sincere congratulations are in order for our Director of Student Activities, Miss Reita Rivers. The social calendar has widened considerably and the spirit of the V. I. girls has heightened with it. Making the girls happy with plenty of things to do has been Miss Rivers' main objective, and she has succeeded 100%. Our hats come off to her with many thanks for a wonderful year.

Miss Eris Anderson

Miss Eris Anderson, Director of Religious Activities, is one of the most important members of V. I.'s administration. Her unlimited interest in the spiritual atmosphere on campus has made her indispensable. She is always planning projects for the Y.W.C.A. and the Religious Planning Board, both organizations in which she holds an interest. Her work is recognized by each student on campus in her daily life.

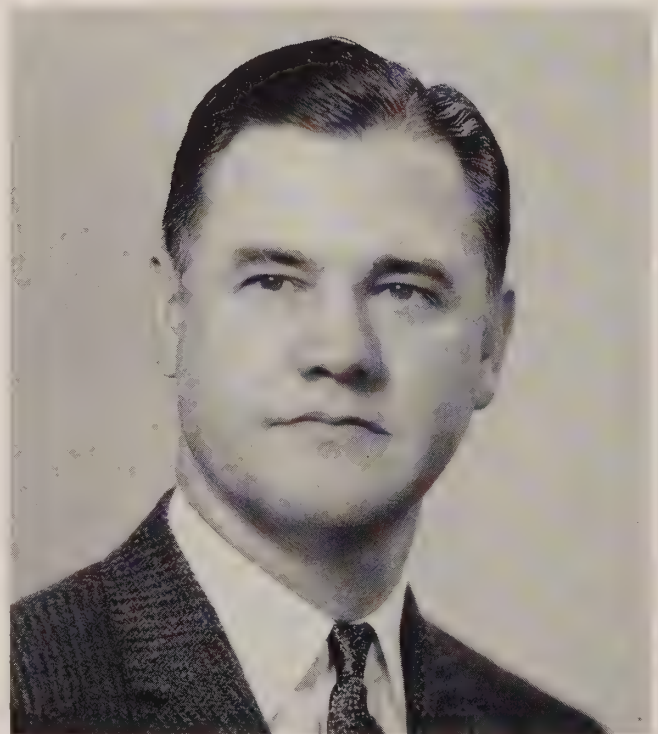

Mr. S. O. Snodgrass

Mr. S. O. Snodgrass is known by all of us for his long talks on Song Contest night when we are all waiting very impatiently to hear which class has won. He is the business manager of V. I. and a wonderful and helpful friend to all of us. In addition to making the Song Contest speeches and taking care of the college's finances, he manages to find our lost trunks, takes care of us when we misplace our bank books, and does many other little things for us.

Mr. Henry Lindsey

Mr. Henry Lindsey, as Director of Development and Public Relations, is completing his first year at V. I. C. With his desire to help the entire student body, he has always been on hand when we needed his advice as to how we should handle a program of ours. He has done a wonderful job in planning our television programs, not to speak of the other various improvements he has directed.

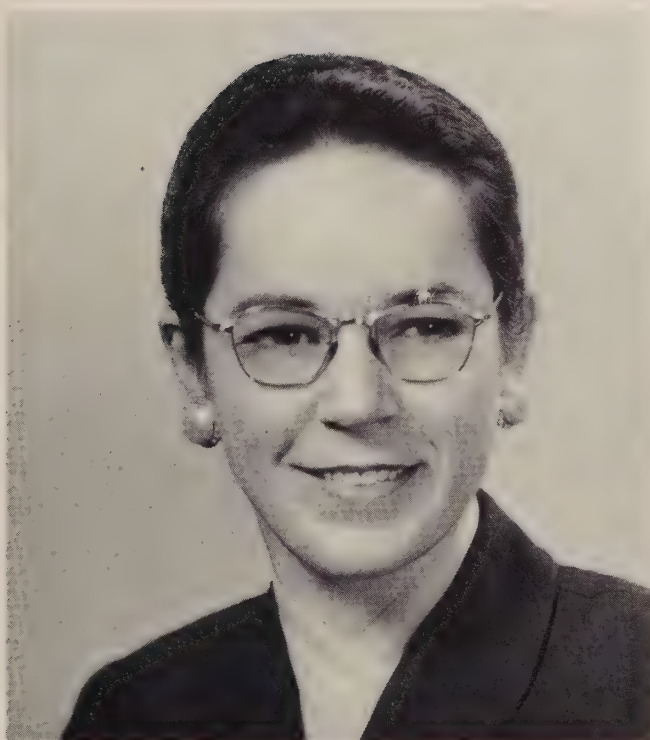

Each of us wishes to thank him for all these achievements, and we are sure that he will be a source of guidance in making future years as wonderful as this one has been.

Mrs. June Thompson

V. I. and her girls wish to extend hearty congratulations and welcome to Mrs. June Thompson, our new Alumnae Secretary. Mrs. Thompson should feel very much at home at V. I. as she herself is a V. I. alumna.

Although her job will be keeping her busy most of the time, we hope that she can find a few moments sometime to play the piano in the students' lounge for us, as this is one of her many accomplishments.

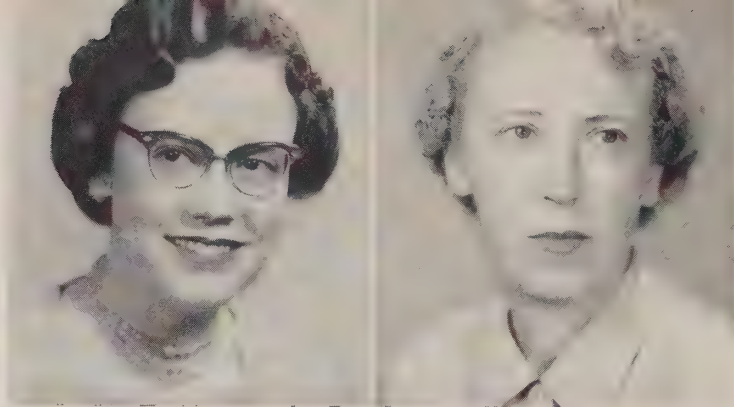

Mrs. Margaret B. Crumley

Mrs. Margaret B. Crumley holds a never-ending job as Director of Admissions at V. I. Although we cannot walk into her office without finding her typing, writing, or interviewing someone, she is never too busy to stop her work to help us with some problem of ours. Her work may be endless, but Mrs. Crumley enjoys it and she has certainly done an excellent job.

MISS FLORENCE ADAMS teaches violin, theory of music, and music appreciation. She is very much interested in the Kingsport Symphony, of which she is a member, and the Student Christian Fellowship, to which she is advisor.

It is only expected that reading be one of the favorite pastimes of MISS EUGENIA ADAMSON, librarian at V.I.C. A member of the V.I. faculty staff since 1946, Miss Adamson also expresses an interest in automobiles and the movies.

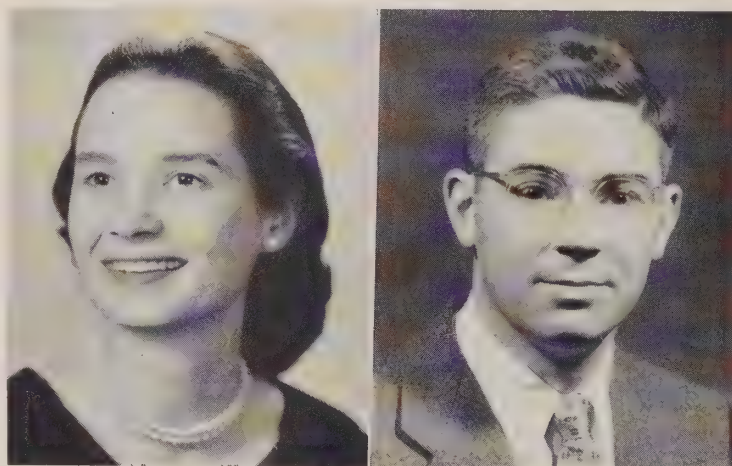

MRS. MAE YANCEY AMIS is the versatile and petite teacher of Latin and French. She came to V.I. in 1945. Travel and antiques are her main interests and as a hobby she enjoys reading modern French and American drama.

MR. JOHN ATWOOD is a well-known figure about the campus. He teaches voice and is our choral director. During the summer, Mr. Atwood has worked at the Berkshire Music Center and Denver University Opera Workshop. Photography, cooking, athletics, and everything musical are his hobbies.

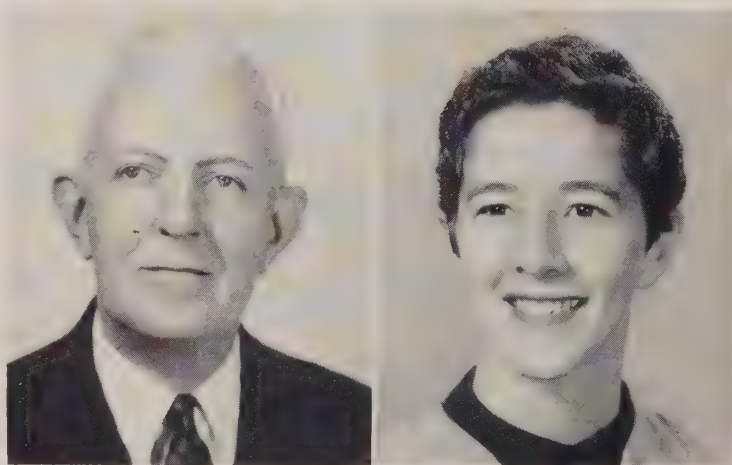

MRS. JUNE SPAIN ATWOOD, known around the campus as "the Bride," came to V.I. in September as head of the Art Department. She especially enjoys the art of oriental countries and the experiences of nature.

DR. ROBERT F. BARBE, V.I.'s new college physician, has made himself loved and appreciated by all. He certainly proved himself during our flu episode at the beginning of the year. Every day you can find him in the infirmary at 9:00 a.m. and at 5:00 p.m. listening patiently to our complaints of all kinds of aches and pains.

MR. JACOB HARRY BARKER, JR., plays a large role on V.I.'s staff. He is the Northern representative for our college, and who could be better qualified? His silver hair and charming manner represent the ideal Southern gentleman. Even though getting an education may be the main reason for the Northern girls' attending V.I., we can't help but feel that Mr. Barker has a great influence upon them.

Just the mention of Rick, her son, will bring a rewarding smile from MRS. HOWARD BOWERS, physical education instructor at V.I.C. since 1954. Although most of her time is divided between Rick and her new home, Mrs. Bowers enjoys cooking, designing clothes, and, naturally . . . sports!

F A C U L T Y

F A C U L T Y

MRS. ESTHER BROOKS, housemother for Senior Hall, is better known to her girls as "Mama Brooks." Her greatest interests are her family, music, and travel.

MRS. ANNA CANTWELL teaches home management. Her chief interests are handweaving, building her new home, and teaching Sunday School.

MRS. MAE CARY, who is housemother for second Main, third West, and Hodges Hall, as well as being the dining room hostess, is known and loved by all as "Mom Cary." Her greatest interest is her girls.

MRS. STELLA CASSITY, dietitian, came to V.I. in 1956 from Wise Memorial Hospital. Her job is to feed 310 girls, which is no small order for anyone. Her chief interests are food and young people, and she collects antique dishes as a hobby.

MISS MARION CLARK, who teaches mathematics and physics, came to V.I. in 1939. Her leisure time is spent listening to music and taking color slides of nature. Also she sponsors the Y.W.A., the Areannes, Phi Theta Kappa, and the Beta Club.

MRS. LAURA LEE COLE is V.I.'s housekeeper, and what a task she has! Her chief interest is doing all she can to make V.I. a better college. As a hobby, she enjoys embroidering.

MR. C. ERNEST COOKE, known for his intellect and wit, is professor of English literature and history of art. Coming to V.I. in 1930, Mr. Cooke has made his presence known by his many contributions to the campus activities. Art, poetry, music, and travel are his main interests and he collects records, books, paintings, and autographs.

MRS. WALTER E. CROCKETT is one of the most familiar figures at V.I.C. Up until this year she was Alumnae Secretary, but now she has resigned this position to devote all her time to being a V.I. representative. Although this is going to keep her busy and continually "on the go," we feel sure that Mrs. Crockett will find time to talk about her hobbies, Bobby and Vicki McPherson.

MISS FRANCES ELLER, teacher of piano, organ, and music history, is a well-known figure around campus driving her "T-Bird." Sports cars and growing roses are her chief hobbies.

MRS. SELMA FLEENOR, fourth Main's housemother, came to V.I. second semester not as a newcomer, but as an alumna. She has already won the hearts of many of the girls and has helped them tremendously with their problems.

Each year as the students flock into the Book Store for their supplies, MRS. BERGES FRITSCHKE is always there to greet them. Besides managing the store, Mrs. Fritsche can be found sorting mail in the campus post office. There is never a dull moment in her conversations, as she is endlessly relating little stories of her nine grandchildren.

MRS. SUE STEWART FUKUDA, the instructor of biology, loves to travel and is deeply interested in her subjects of biology and embryology. Her hobbies are collecting stamps, needle work, and dogs.

Upon entering the Business Office, one cannot help but notice MRS. RAYMOND GOSE, our competent bookkeeper. Although bookkeeping is her job, one can always find her cashing students' checks, giving change, finding misplaced laundry, or helping them out in some other way.

Amidst the horses and the hay we find MISS DOROTHY HARLOW, riding instructor at V.I.C. Miss Harlow, a graduate of V.I., has been Riding Director for Camps Crestridge and Ridgecrest. Along with riding, her main interest, which is closely followed by sports in general, Miss Harlow also enjoys reading, playing cards, and traveling. The amount of "horse-power" she travels by is undetermined!

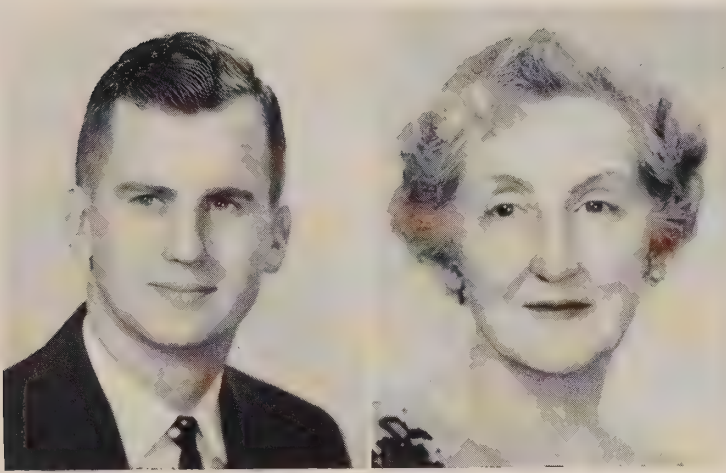

MRS. MAE HARPER is the hostess in the Tea Hole. She made possible all the little snacks, from a candy bar to a regular meal. She shall always be remembered by all who come to V.I. as a wonderful friend and for her unselfish willingness to help.

A member of the Applied Art Department of V.I.C. since 1953, MRS. LUTHER HODGE expresses a deep interest in cultivating young talent. Making color slides and cooking are only two of the many other activities which she enjoys.

F A C U L T Y

F A C U L T Y

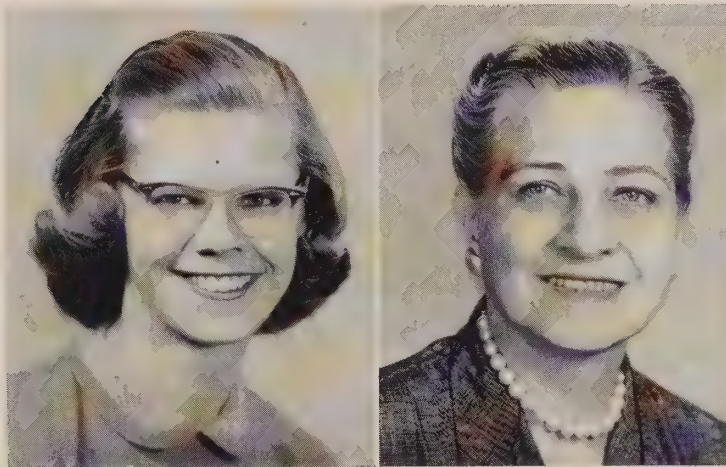

MR. CARL WALKER HOLLAND, SR., the new instructor of government, sociology, and economics, has very quickly become a favorite with his pupils for his wit and interest in his subjects. His hobbies and interests include golf, workshop, and Southern history.

MRS. E. E. JUDKINS, or "Momma J." as she is better known to V.I., is the school nurse. Probably every girl here has come to know and love "Momma J." for her comfort and kindness when she was not feeling her best.

MRS. W. L. KARR, better known as "Mom Karr," came to V.I. this year as housemother for third Main and Administration. She has won the love and friendship of all the girls for her kindness and helpfulness to them.

DR. S. J. MARION, head of the Chemistry Department, is certainly a Southern gentleman. Coming to V.I. in 1947, he has become one of our most loved teachers. When asked what his interests were, he immediately answered, "My students." His other interests are reading, public school development, and his church. Woodworking, cabinet making, repairing and inventing toys, and working in his private laboratory are his favorite hobbies.

MRS. MARILYN MAUK, the petite nurse with the big voice, is the new coordinator of the Two-Year Nursing Program. She is loved by all who know her for her great understanding, patience, and helpfulness.

MRS. MARY A. MEADE is the charming teacher of Junior English. Her main interests are music and drama, and she is especially fond of animals.

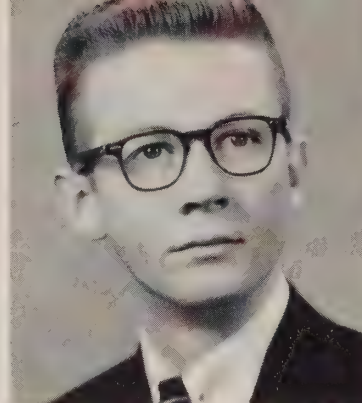

A familiar face in the Home Economics Department is MISS DORA O. MILLER who has been on the V.I. campus since 1937. She enjoys traveling and spends as much time as possible at it.

MRS. GEORGE P. MILNE displays an interest in a variety of things, ranging from painting to reading and writing. She is in the English Department and has been at V.I.C. since 1945.

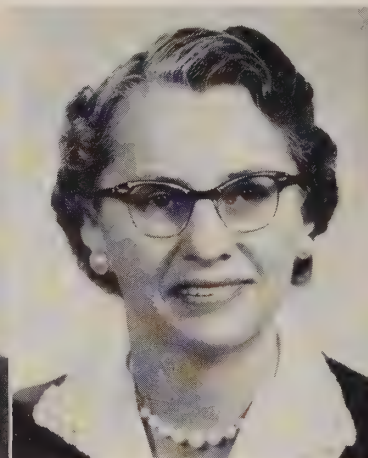

MR. ROGER MOUNTAIN taught business math, typing, and shorthand. He is interested in personalities, and his hobbies are record collecting, reading, and traveling. He was co-sponsor of the high school class.

MRS. R. L. MUSICK joined the faculty as a nursing instructor at the beginning of the second semester. She is known to her students as a charming person and an excellent instructor.

MRS. DOROTHY C. MYERS instructs in the Business Department. Music, books, sports, and her three children are her main interests.

MRS. CLAUDE NASH, the high school's English and American history teacher and co-sponsor of the class, has been a big help to them this year with their numerous problems. Outside of school, her interests are in her home and her son and daughter. Her hobbies are reading and cooking.

MISS PEGGY O'DELL is a newcomer to her position as secretary to the Director of Admissions, but she is certainly not a newcomer to the campus, as she is a member of the Class of '57. She has quickly adjusted herself to her new status and become a great help to Mrs. Crumley.

MR. RALPH OSTHOFF, head of the Music Department, came to V.I. in 1948. Among his interests are music, students, his home, his dog, traveling, and anything concerning the "arts."

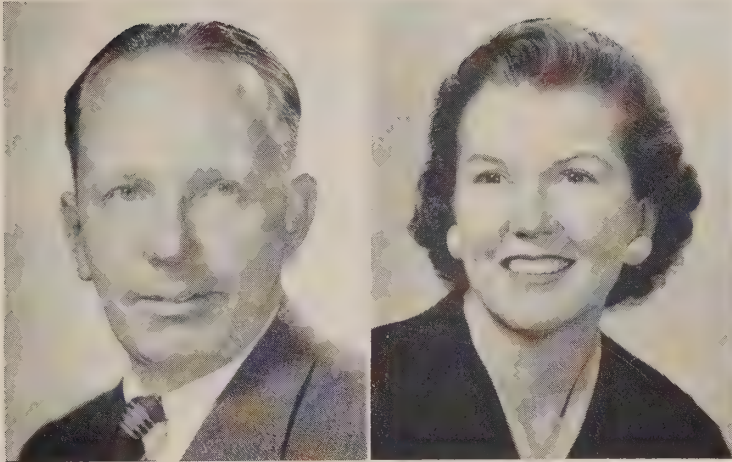

MR. GEORGE W. PIERSON is a part-time instructor of accounting, marketing, business correspondence, and business law. He is very interested in public accounting and teaching business.

MRS. JOE RICHARDS, who teaches typing, is a newcomer to V.I., but she has already become a part of it. Her special interest is taking care of her little girl.

F A C U L T Y

F A C U L T Y

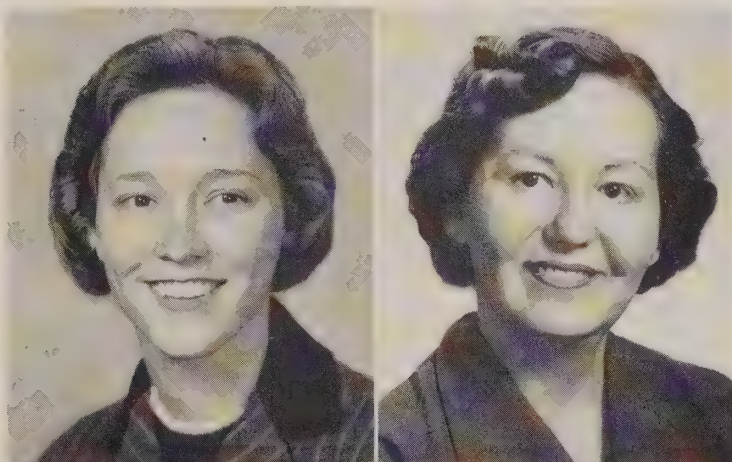

MR. BOB ROBERTS is everything from the indispensable maintenance man to a good friend. He will always be remembered for his untiring efforts to please us.

MRS. REECE RUSSELL is a new and very nice addition to the staff of V.I. Her job as secretary to the Dean of Women brings her into close contact with the girls and they have all learned to admire her very much.

MRS. MARY LYNN SALYER's job as secretary to the Director of Development and Public Relations certainly keeps her busy. She is an alumna of V.I., but no one really can distinguish her from the students. Once in a while she can be found in the Tea Hole enjoying a quick lunch before hurrying back to her job.

MISS BERENICE SKEHAN, the originator of the Two-Year Nursing Course, came to V.I. in 1954. She served as director of that course until she left to organize a school at the Medical College of Virginia in December, 1957. Her interests, besides nursing and her students, include traveling, reading, and golf.

MRS. MARY LOU SMITH, instructor of swimming and dance, received the honor of torchbearer when she attended V.I. Her interests include keeping house, teaching, all athletics, sewing, and cooking. All her students agree that she is one of their friendliest instructors.

MISS MARY LOUISE SMITH came to V.I. in 1945 and is head of the Secretarial Department. In her spare time, she enjoys playing bridge, working cross-word puzzles, and collecting antiques.

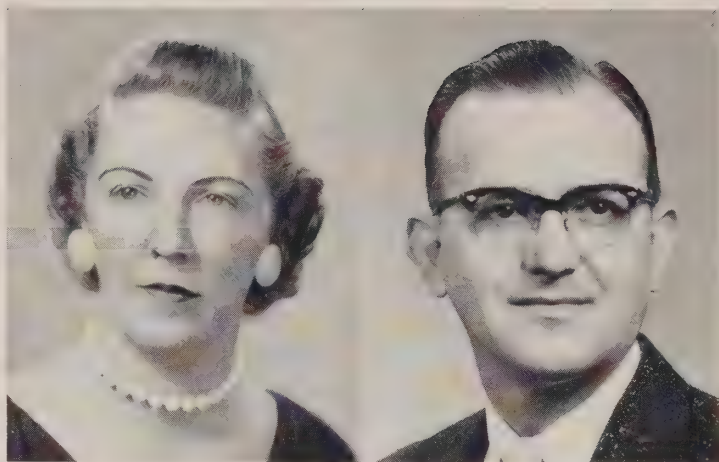

MRS. GEORGIA STEWART is a new nursing instructor this year. She made herself known and loved by the entire student body during the flu epidemic through her tireless efforts. In past years, she has traveled over most of the U. S.

MRS. VIRGINIA SWIFT came to the faculty as a nursing instructor last summer. Her quiet understanding and patience have made her more than an instructor to her students—she has been a very good friend.

F A C U L T Y

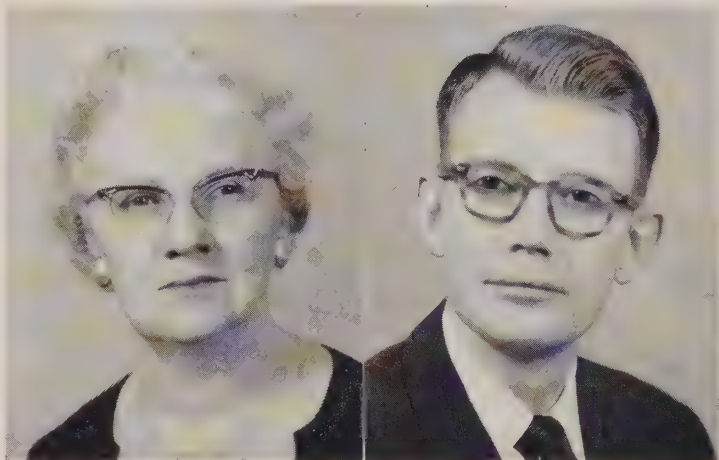

The business Office would not be nearly so efficient without the bookkeeper, MRS. HOWARD TAFT. She is an alumna of V.I., coming as bookkeeper in 1948. Her favorite pastime is playing bridge. We wonder whether her college days had anything to do with that?

DR. LOUIS H. TAYLOR is the professor of Bible and religions. Included in his interests and hobbies are religion, science, politics, fishing, and watchmaking.

MRS. R. S. TERRY, who holds the position of East Hall's housemother, came to V.I. this year. She has become admired and respected by all her girls and has taken her place in the school.

A newcomer on the campus, MR. ROBERT F. TODD, is head of the Speech and Drama Department. A very good director, Mr. Todd is in charge of dramatic presentations on campus and is also very much interested in music.

MRS. DWIGHT H. WILLETT, teacher of history, is the essence of Southern charm. Coming to V.I. in 1943, she has become one of the "main stays" of the campus. Along with church work and young people, her three grandsons are her major interests. Reading books and collecting unusual data concerning the war between the states are her hobbies.

Another of V.I.'s charming representatives is MISS DOT WOOD. All through the college year, she travels through North Carolina, Kentucky, and Tennessee, finding and recruiting new students for our campus. She is doing an excellent job and we wish to congratulate her for doing her job and doing it well.

A Tribute to Miss Marguerite Pflug

We, the students of Virginia Intermont College, wish to gratefully acknowledge and thank you, Miss Pflug, for the tireless and understanding manner in which you have helped us in our days at V.I. We shall always look up to you and, because of you, strive to dedicate our lives to worthwhile ideas and ideals. Your example will always inspire us to do our best at whatever the future may hold for us.

As we go forth into this challenging world, we shall always remember the lessons you have taught us by your daily life in living with others, and we shall always strive to uphold the ideals of humility and understanding which you have taught us.

A Tribute to Mrs. E. L. Seay

We, the students of Virginia Intermont College, could not begin to express, in so small a space, all that you have meant to us and to those who have trod these halls before us. As we go on through life you will stand out in our minds as an inseparable part of V.I. You can always be sure that you will be loved by us, dearest Mumsie.

It is not only what you have said or what you have done; it is more that your character has inspired the zeal within us to dedicate our lives to the things most worthwhile and to love everyone.

HONOR COUNCIL

The Honor Council is the judicial department of Virginia Intermont College. It is the backbone of the traditional Honor System and devotes itself to helping each student maintain the ideals of the college. Through the judgment and decisions of the Council, the students learn and understand the true meaning of the Honor System, which is to build stronger character in each of them.

The members of the Council are: the Academic Dean, the Dean of Women, three faculty members, the Presidents of the Senior, Junior, and High School classes, one other Senior class member, and the President of Student Council. The responsibility of these members is tremendous, and they have the respect of each girl on campus.

Seated, left to right: LINDA BROWN, AUDREY COVELL, ELINOR HARKLEROAD, MYRNA GENTRY, NANCY MARSHALL.
Standing: LOIS SOMERVILLE, GAIL NICHOLSON, EMILY EARLE JONES, MARY EVELYN BELL, DEBORAH BENOIT, ALBA BROACH.

STUDENT GOVERNMENT

The Student Council is the representative group of the student body of Virginia Intermont. The officers are chosen in an election held each March. The other members of the Council consist of the Hall Presidents, a High School representative, and a day student. The goals of this organization are to improve and better the student body, to provide for the students an understanding of Intermont and her ideals, and to help the students overcome any problems or disagreements they have had.

The Student Council sponsors various activities throughout the school year, some of which are: Orientation Week, teas, parties, Charm Week, and the Valentine Formal.

THE SENIOR CLASS . . .

its officers and its history

" . . . and this our inspiration for always will be our guiding light." Yes, truly V.I. will be our inspiration for always, for we are still part of her, and she of us. As we returned to our beloved Intermont in the fall of 1957, and assumed our responsibilities as seniors, this became quite clear to us. How glad we were to see our friends and eagerly plan for the wonderful year ahead. Now that V.I. had once again become our second home, we welcomed our "Little Sisters" into her circle and tried to help them through those first weeks away from home. "So This Is Intermont" in Orientation Week and the "Little Pal Party," and, of course, the beginning of classes made September fly by.

Aha! Rat Day! Now that wasn't so bad, was it? In fact, the entire student body was enter-

tained by the antics at Rat Court when the guilty culprits came before the wrath of Dr. Turner and the jury. Climaxing the hard work that gave us such a sense of class unity, Song Contest day arrived, and with it we hailed our Little Sisters as they followed in our footsteps to victory. Fired with loyalty to our class and cheering the green and white, we entered into the first dance of the year after Song Contest.

Glorious were the colors of many beautiful fall scenes when we realized that November was here. Still with surging class spirit we worked to make our Senior Dance one of the best ever. We tried to capture scenes from the Swiss Alps to the Orient, and Tex Beneke and orchestra joined us in our whirl, "Around the World in Eighty Days." This

was indeed our month of triumph, for we had our turn at victory in winning the Junior-Senior speed-ball game.

December brought us the joy of the Christmas spirit, once more joining in the beautiful carols praising the child Jesus, then decorating trees, and finally, packing, for soon we would be home.

Upon our return in January, we settled down to the sometimes grim task of studying in preparation for examinations. For the girls on campus between semesters, lots of sleep, brunch, and fun prepared them for the second semester.

Yes, seniors, our "Love Affair To Remember" came true when our sponsors, Miss Spain and Mr. Atwood, were married, February 1, with all our best wishes.

Again our thoughts were lifted to the spiritual when second semester began with the inspiration of Preaching Mission and Religious Focus Week. Loads of snow made us realize we were still children, building snowmen, sledding, and engaging in the ever exciting snowball battle. We seniors were

*"Laud and praise we
sing to thee"*

really exuberant as our cheerleaders and team practiced for the basketball game, and then went on to one of the greatest victories of our career!

Did you find out who your "peanut" was? Everyone looked forward to "Peanut Week" and to the final unveiling of her "shell."

The Water Pageant was one of the most splendid productions of the school year, and Publications Ball, which came close on its heels, was simply beautiful! Amid shades of mint green, it was an unforgettable evening for every girl there!

To welcome April, spring vacation gave us a chance to catch our breath before the last busy weeks that preceded graduation. It didn't seem possible that our years at V.I. were so rapidly drawing to a close. However, when our Little Sisters gave a banquet in our honor, we knew that graduation would soon be upon us and the time would come for good-byes.

Bringing with it the warm breezes, fresh green life, and beautiful dogwood, spring could not have given us a more lasting memory of our lovely campus.

An endless round of activities made the month of May a fitting climax to our school days. Softball, the A.A. Banquet, and the Horse Show highlighted sports events. Following Torchlight ceremony, May Day, and the Senior breakfast, Graduation Day was upon us. Pausing to reminisce, we discovered that our Alma Mater would always give us guidance and inspiration. "... The star we'll see, the book and the key, our life with Thee, our beloved Intermont."

Senior Torchbearers

Front Row:

ANNE MORGANTHAU

A sparkling "Hi, everybody!" and a ray of sunshine is our Anne, editor-in-chief of the Cauldron and president of the Canterbury Club. Her vibrant charm and bubbling laughter have made her room a meeting place for all of V.I.

ELINOR HARKLEROAD

Personality plus is Elinor, our wonderful Student Government President. The year could not have been nearly so great without her. Her door has always been open to those of us who have needed someone to listen to our problems.

AUDREY COVELL

A regal beauty and a gracious and charming personality are our Audrey. Her value as vice-president of the Student Government Association is proven by the many highly successful activities that the S.G.A. has sponsored this year.

Back Row:

MARGARET WAGNER

The clever witticism, the bright personality, and the sparkling smile distinguish our Margie. She has proven herself to be the right arm of the Senior Class in a thousand ways and is always near and ready to cheer it on in its undertakings.

DIANE KEFAUVER

Who's the girl with all that pep and spirit? Why, Diane, of course! She is our proof, as president of the Senior Class of 1958, that good things come in small packages. Her spirit has spurred the class on to try to do its best always.

MARJORIE KING

Red hair, an infectious smile, and a soft, friendly "Hi!" are characteristic of our Margie. As president of the Areannes, she has represented the local students on campus very well and with a great deal of charm.

OFFICERS—Seated, left to right: LINDA LAWSON, JOYCE WHELDON, NANCY FITCH.
Standing: MR. CARL COBB, Sponsor; SANDRA CLENNY.

THE JUNIOR CLASS . . .

its officers and its history

We Must Be Dreaming . . . for in spite of the rain, we realized that our long-dreamed-of college years were about to begin, as we drove up the hill in Bristol to reach our new home—Intermont.

In The Beginning . . . we were lost in the rush of meetings, teas, filling out cards and that frustrating day of registration. But we came through it with flying colors, thanks to our Big Sisters.

Back To School . . . we went with the first day of classes, getting lost and meeting our teachers and our classmates. At last we felt at home.

Mr. Wonderful . . . is what our sponsor, Mr. Cobb, has proven to be. We certainly made the right choice the day we had our first class meeting.

16 Tons . . . is what our members' weight totals, when we stand on the giant scale of Intermont. We put our weight together and decided to show our Big Sisters that they could be proud of us.

Three Blind Mice . . . we were when that dreaded "Rat Day" finally arrived. Although we really felt like "Rats," we lived through it all and agreed that it was more fun than anything.

Picnic . . . was the whole idea of the wonderful outing given us by the Kiwanis Club. With the boat rides, dancing, food and fun, we had a marvelous day and one that we'll long remember.

" . . . And We Know We'll Always Shine" . . . was sung from the bottom of our hearts, the night

of Song Contest. Our choice of Ilona Calfee for song leader and the long weeks of rehearsals were well rewarded when we heard our class announced as the winner! Even though our feet were frozen and our voices gone, we rejoiced with the rest of the college over our wonderful victory, one that will be remembered long after the songs are forgotten.

Around The World In 80 Days . . . and we did it in one night, at the lovely Christmas Dance, given by our Big Sisters. Rules, out-of-town dates, lacy gowns, delicate flowers, and dream music, provided a heavenly atmosphere that remained right up until the last trembling note of the trombone drifted out over the campus, to end an unforgettable night.

I'm Goin' Home . . . could be heard from 4th floor East to 2nd floor Main, as Christmas vacation drew near. We said our good-byes and boarded the trains, planes, and buses that would take us home for the holidays.

A Crazy Dream . . . was what everyone was saying when they arrived back in Bristol Town, having left family and home behind, and looking forward to a new semester of study and fun.

Too Much . . . is the only thing we can say to describe exam week!!!! Whether it was the late breakfasts, mid-night oil, jam sessions, or just the exams themselves we'll never know, but we certainly were out of it for the next couple of weeks.

Let Me Call You Sweetheart . . . could be heard among the dancers at the Sweetheart Ball, our first dance of the new semester. Everyone had a lovely time and Valentine's Day seemed very near.

In Christ There Is No East Or West . . . characterizes the theme of the Bristol Preaching Mission and of Religious Focus Week. The speakers at both of these functions were excellent and everyone felt more strongly the fellowship and serenity shared by the girls of Intermont.

Peanut . . . was the main object of "Peanut Week." There were many mysterious deeds done

*"Hail to thee our
Alma Mater"*

for all of us during the week, and what fun it was when we discovered the true identity of our "peanut."

Stranger In Paradise . . . is what we all were as we walked into the Publications Ball to the music of the V.M.I. Commanders. Spring formals, sweet-smelling flowers and the Intermont receiving line, were all a part of the most fabulous dance of the year. We'll long remember the beautiful vision made by the "Intermont" girls in their snow white gowns.

Bon Voyage, Adieu . . . Big Sisters. The banquet was given to show our gratitude for all that our Big Sisters had done for us throughout the year. The carved "ice boat" was magnificent and we all enjoyed the entertainment provided by the talent of our class. The Junior-Senior banquet marked another milestone to our memory journey.

Heaven On Earth . . . was the heady, exciting sensation, felt by everyone who attended the dance given by our class. The campus, in all its spring-time beauty, added to the fascination of that unforgettable and altogether enchanting evening.

Memories Are Made Of This . . . year at Intermont. With sad hearts, we realize that our first year is at an end, but we hope that our memories will hold forever the days at V.I.C. So we bid fond farewells to our Big Sisters; close, for the final time, our room door; say good-bye to our "roomie," with the promise of writing soon; then, we take a last loving look at our beautiful campus, and with the vision of the year to come, we look eagerly to the future and to our returning as the Senior Class of 1959.

Junior Class Proclamation Song

May the bells always chime of friendships made this year
Helping students for all time change to hopes any fears.
Intermont our Mother, shaded by proud trees,
There will be no other, as dear as V.I.C.

With each daily sun, we gather here together
The work we've just begun, we'll carry on forever.

Intermont will guide us onward through our lives,
Each moment filled with God's own will
Lifting us to the skies.

The fellowship we've found in these gracious halls
Will live eternally . . . Beloved V.I.C.

Junior Torchbearers

Front Row:

DEBBIE BENOIT

Dark-haired beauty and a big smile distinguish our Debbie, who has very quickly taken her place as a leader of the student body at V.I. She has devoted her time and her talents in many areas this year and done them all well.

ILONA CALFEE

A quiet and charming manner characterize Ilona, who has won the respect not only of her class members but that of the entire student body. Her class members will never forget their well-deserved victory in Song Contest under her leadership.

Back Row:

DARLA FAULKNER

If there were an award for loyalty and faithfulness to V.I., Darla would certainly have it. Her sincere and eager manner has graced our campus and our lives for three years now. Her time and talents have been devoted freely to all campus activities, but especially to B.S.U. and Y.W.A.

LINDA KESTNER

A quick, genuine smile and a flash of golden hair is our Linda. She has already become an important member of the student body. If there is a job to be done, and done well, Linda is just the person for the job.

THE HIGH SCHOOL . . .

its officers and its history

Realizing that it was the last year the High School would be a part of V.I., we arrived in September determined to make this the best year ever.

Registration Day was a very exciting one for all of us, and we were very eager to express our enthusiasm and desires for the Blue and White.

It was soon time to elect the remaining class officers, and our hard work was about to begin.

Sooner than we thought possible, it was time to begin those all important rehearsals for Song Contest. During this time, the students proved

their love, class spirit, and pride in the Blue and White, which they wore so outstandingly on the final night. Louise was never more proud of us, because we had done our best and were sharing the unity we shall never forget.

We had scarcely recovered from the Thanksgiving Holidays when it was time for Christmas. The thought of these holidays at home caused much excitement, with all the plans and dreams so near.

We returned to V.I. fully recovered from the Christmas Vacation, and ready to begin working

for our exams. We shall never forget those wonderful "Get-togethers" and "Fun" in the homes of the faculty, administration, and staff. They surely did their parts well in helping us to recover from the usual "Home-sickness."

We all enjoyed the speakers and wonderful fellowships we shared during Religious Focus Week. We gave and received much during this time.

The Junior-Senior Banquet was a never-to-be-forgotten affair. The Juniors did such a terrific job in every way, and were so gracious to invite us. We thank them so much, and we shall never forget that wonderful event.

This year we had the privilege of taking a Senior trip, and were so happy when that delightful day rolled around. It couldn't possibly have been such a huge success without our kind, understanding, and patient sponsors, Mr. Holland and Mrs.

Nash. We shall always remember them in our fond memories of the "Blue and White" at V.I.

May 14, finally arrived and we were never more excited! This was "our day." The idea of wearing bermudas on front campus and to classes, the extra kindness of the teachers, and the festive atmosphere of the whole campus, made us realize that we were a vital part of the school and would be missed in the years to come. Our chapel program was a real success, too! No one could foresee the talents of the girls who represented the "Blue and White" so well.

There were many activities in May before and after our trip, such as the Senior Breakfast and May Day. The High School was well represented in the May Court, and we were all so proud of our classmates.

May 29 brought Torchlight, one of the most impressive events of the year, and one we shall never forget. Baccalaureate at the First Baptist Church, and Commencement in the amphitheater were the events we had waited for so long. We will always cherish them, and remember their significance on our lives and the wonderful part of Intermont they represent.

It was now time for us to leave Intermont, but we knew Intermont would never leave us.

Anne did such an excellent job in leading us this year, and in our cherished memories of the future, this wonderful year at Intermont will remain foremost.

"Now our dear V.I.C. will always be, dear to our hearts eternally. We will cherish all our friends, this reverie, will remain forever, part of V.I.C."

High School Torchbearers

Front Row:

LOUISE THORNTON

Dependable, friendly, and sincere is Lou. She led the High School Class beautifully in the Song Contest and well deserves the respect and admiration which the whole student body has for her.

MARY JO WILLIAMSON

A warm, friendly "Hi, thar!" announces the presence of Mary Jo, the girl with hundreds of friends and the famous Kentucky drawl.

She has done a wonderful job as Y.W.A. president and has been actively interested in B.S.U. and the INTERMONT.

Back Row:

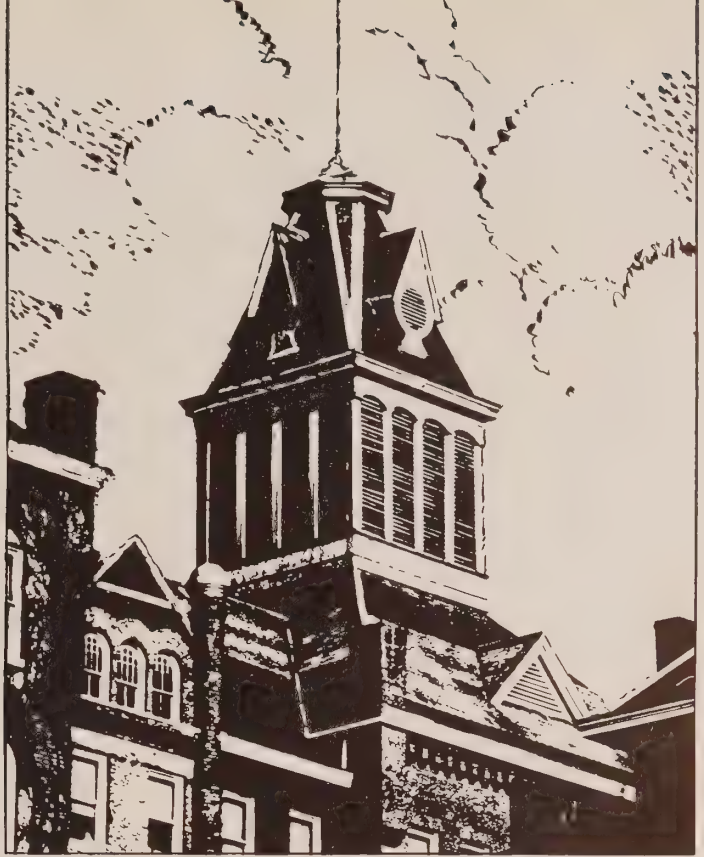

ANN SAVELY

There is that rare quality about Anne that helps you, when you are with her, to laugh your cares away. She has become very dear to the High School as their president and to the student body as one of its leaders.

EMILY BURCHFIEL

That pert and vivacious smile belongs to Emily. The High School Class and, indeed, the whole student body is proud of her and of the way she has handled her job as president of the A.A. Council.

DEPARTMENTAL ACTIVITIES

and
the
Key

SCIENCE DEPARTMENT

The Science Department, headed by Dr. S. J. Marion, is a very active department on campus. It is composed of the Physics, Chemistry, Botany, Entymology, Microbiology, and many other science courses. During the year it has sponsored an open house in the Departments and a visit by the mobile unit "Atoms for Peace" on the campus.

MATHEMATICS DEPARTMENT

Headed by Miss Marion Clark, the Mathematics Department provides instruction in Algebra, Geometry, Trigonometry, and Calculus to the students at V. I. The Department's displays in Hodges Hall have been of great interest to the student body generally this year.

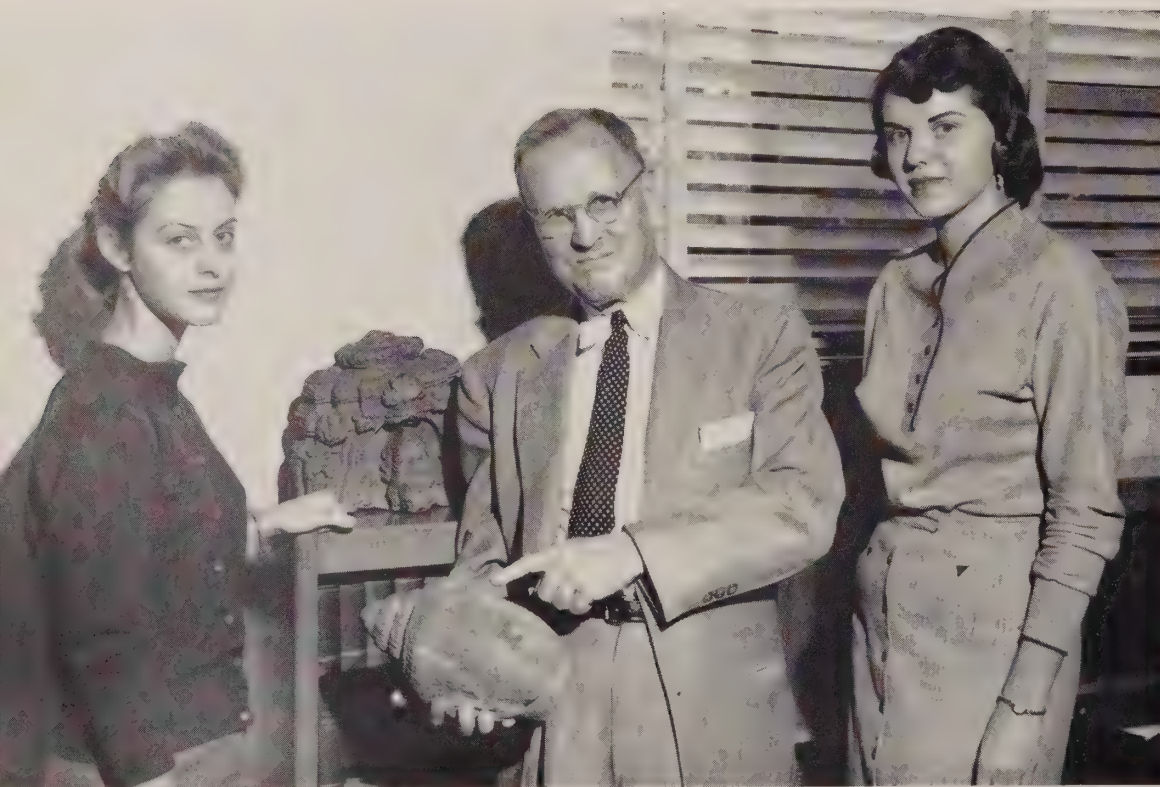

The Language Department offers French, German, Latin, and Spanish to the students of V. I. Some of the languages have their own clubs which have sponsored chapel programs and have fostered interest in these languages among the students.

What were you explaining, Stevie?

LANGUAGE DEPARTMENT

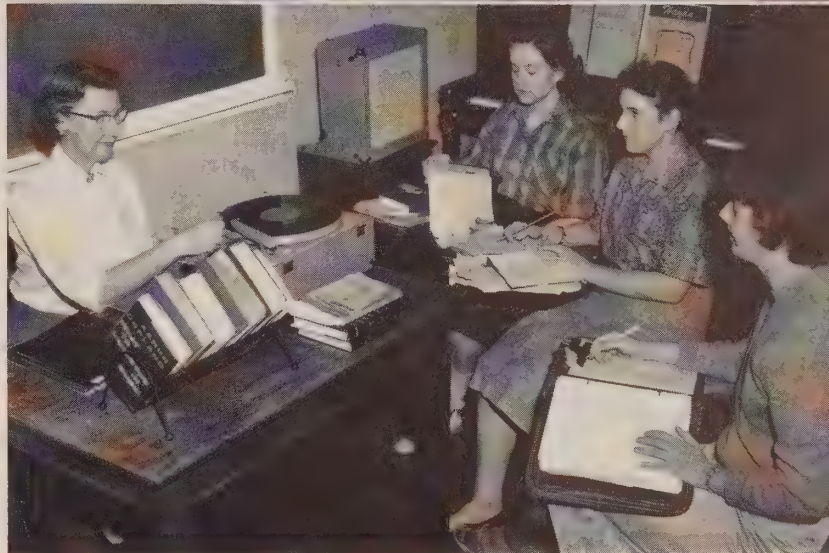

One of Mr. Cooke's fine art exhibits.

MUSIC DEPARTMENT

The students of Intermont are very proud of their splendid Music Department. The most predominant reason for this is that the Department is a member of the National Association of Music Schools, and it has the Alpha Beta Chapter of Phi Beta, a national professional music fraternity.

The V. I. Chorus is under the direction of Mr. John Atwood. It has given several concerts and also took a tour during Spring Vacation. Mr. Ralph Osthoff, director of the Music Department, teaches piano, and Miss Frances Eller teaches both piano and organ. Music Theory is taught by Miss Adams. Courses in Music Appreciation, the History of Music, and Introduction to Music are also taught by these instructors.

*Ginny, were you scared on TV?
How do you take notes on a record?*

HOME ECONOMICS DEPARTMENT

Under the supervision of Miss Dora Miller, the Home Economics Department has been beneficial to many students. With the purpose of making possible a better way of living and of molding the girls for home making, the Department has been most successful. This has been displayed in the luncheons, teas, and the annual fashion show which have been held this year. Besides these special activities, the students attend classes in Nutrition and Foods, Textiles and Clothing, and Home Management.

*Busy bees making new clothes . . .

SECRETARIAL DEPARTMENT

The Secretarial majors at V. I. are very fortunate, as they are offered an excellent course in the field of business education. The knowledge that they gain through the extensive courses prepare them for positions in any business office. The students have classes in Accounting, Business Correspondence, Shorthand, Filing, Typing, Economics, Office Practice, and Busi-

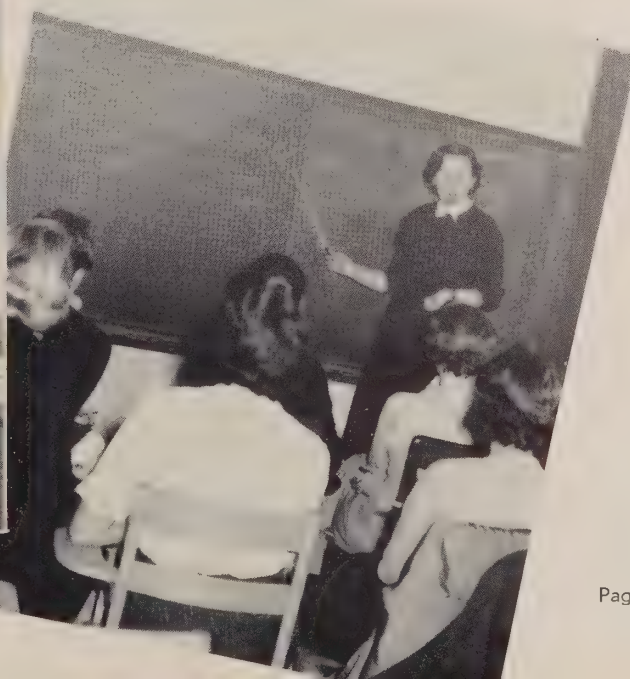

ness Law. Miss Mary Louise Smith is head of the Department.

For those students desiring a specialized Secretarial course, the college offers a Medical Secretarial Course. Among the other necessary secretarial subjects, the students have practical experience working in the local doctors' offices. The students also gain some medical terminology from their required science courses under the direction of Mrs. Fukuda.

Jay, someone's peeping over your shoulder!

Hey, what's that? Greek?

DRAMA AND SPEECH

The Drama and Speech Department of Virginia Intermont is wide and varied in its courses. Some of the classes in the two-year program are Acting, Speech, Directing, Stagecraft, and Play Production.

Where is the mouse?

Looks like fun!?!

Joyce, you were terrific

DEPARTMENT

Mr. Robert Todd is the director of this Department. Through him and the students whom he directs, the girls on campus and, occasionally, the public, have enjoyed various one-act and full-length plays. Everyone at V. I. is grateful for the entertainment which the Department has supplied.

*The entire play,

ART DEPARTMENT

The Art Department at Virginia Intermont offers majors in Everyday, Fine, and Applied Art. Under the direction of Mrs. John Atwood, classes are taught from the Introduction to Art to actual canvas paintings.

One of the most outstanding features of the Art Department is the courses which are conducted by Mr. C. Ernest Cooke. Mr. Cooke's interest in the fine arts is so extensive that he holds art exhibits on Sunday afternoons, to which both the students and public are invited. He also conducts a Sunday evening art interest group, which has been beneficial to many of the students.

EDUCATION

DEPARTMENT

Watch it, Sally!

The Physical Education program, under the able direction of Mrs. Howard Bowers, has two major aims: the development of knowledge in the general field of physical activity; the teaching of games and sports which will enable the student to use her leisure time wisely.

The following activities are taught: Soccer, Volleyball, Archery, Recreational Sports, Basketball, Softball, Hockey, Badminton, Tennis, Tumbling, Speedball, and Golf.

Looks like a point . . .

Whose turn is it now?

Coordinated activity!

MODERN DANCE DEPARTMENT

Modern Dance, taught by Mrs. Mary Lou Smith, offers instruction in various movement techniques. Courses are offered for beginners and intermediates and the students are graded to suit the skill of the group.

SWIMMING DEPARTMENT

A requirement of each student's two-year curriculum at V. I. is either to pass a swimming test or to take one semester of swimming. Courses are offered in Beginners', Intermediate, Swimmers', Advanced, Life Saving, and Instructors' classes.

EQUITATION DEPARTMENT

One of the largest divisions of the Physical Education Department is the Equitation Department, under the guidance of Miss Dorothye M. Harlow. Instruction is given for beginning, intermediate, and advanced riders.

The climax of the year for these girls is the Horse Show in May, which gives each girl an opportunity to display her knowledge of equitation.

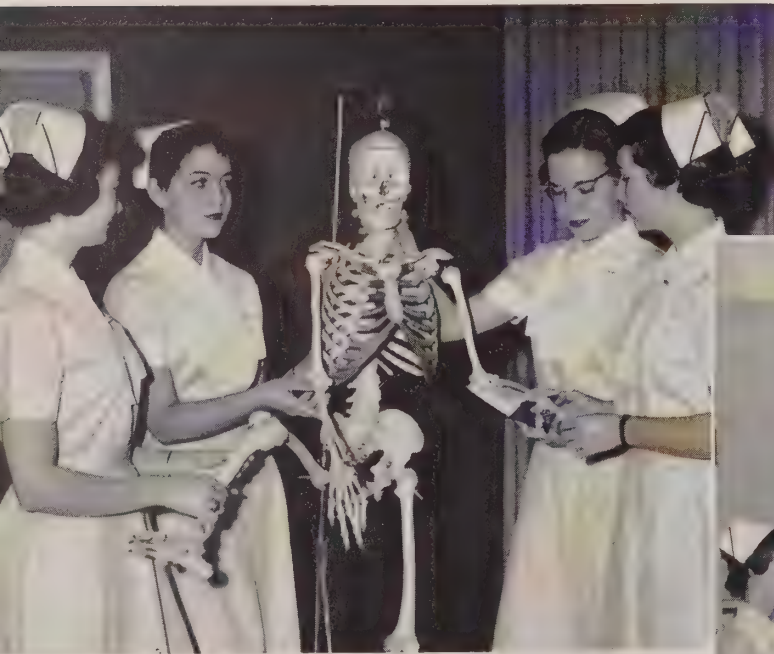

NURSING DEPARTMENT

The Virginia Intermont School of Nursing, established in 1955, is one of the pilot schools of the Cooperative Research in Junior College Education for Nursing. It began under the supervision of Miss Berenice Skehan, who resigned her position in January to organize the same program at the Medical College of Virginia. Mrs. Marilyn Mauk is now the coordinator of the School of Nursing.

This nursing program is completed by the students in two years. During this time most of their nursing experience and knowledge is gained at the Bristol Memorial Hospital. On campus the students take academic courses which correlate with the nursing course. Besides attending these two nine-month periods at the college, the students also have summer sessions of six to eight weeks duration. After completing these two years, the girls receive an Associate of Arts degree from the college. The following October the students are eligible to take the Virginia State Board Examinations for their R.N.

CAULDRON

The *Cauldron*, which is published twice each month during the school year, attempts to bring to the Intermont student a variety of ideas and thoughts in news form. It primarily records the events at Virginia Inter-mont, and, in so doing, highlights the activities of various personalities as well as those activities which are of a departmental or campus-wide nature.

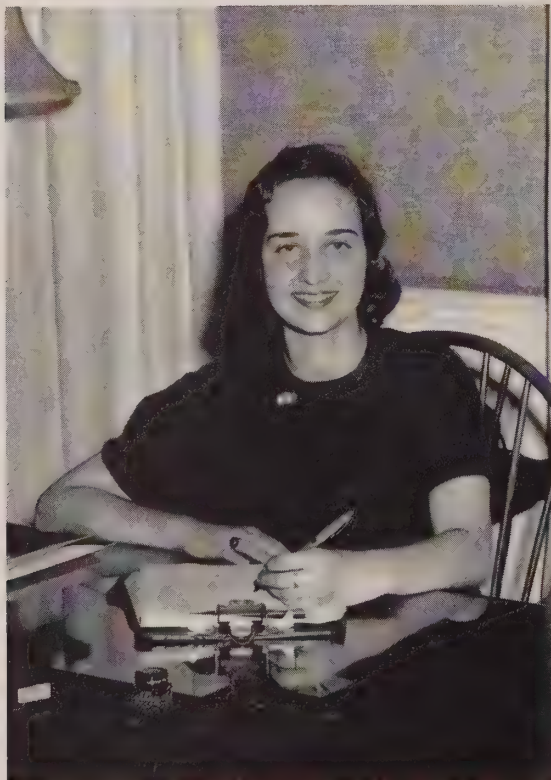

Although its first purpose is to present the news in the school to its readers, the *Cauldron* has also attempted to reveal the abilities of the students through poetry, creative writing, caricatures, fashion drawings, and other mediums of expression. Feature articles, which vary in content in each edition of the paper, provide an item of interest for each student.

The members of the *Cauldron* staff, aside from performing the duties in preparing the paper for publication, are active in the planning of the publications dance each spring. The staff members are chosen on the basis of their interest in journalism and related newspaper work.

The *Cauldron* is distributed to the students of the college, prospective students, and the alumnae of V. I. During the year, three of the editions are published by the alumnae department.

PHI THETA KAPPA

Phi Theta Kappa is the junior college honor scholastic society, which corresponds to Phi Beta Kappa for four-year colleges. The qualifications for membership in this organization are thirteen academic hours in Liberal Arts or Home Economics, an average of 2.5, and no

grade below a B. Leadership, character, and service are all considered, as Nu Chapter taps its pledges. This year Nu Chapter has sponsored a chapel program and several of the members attended the National Phi Theta Kappa Convention in Brevard, North Carolina, in April.

NATIONAL BETA CLUB

Phi Theta Kappa, under the sponsorship of Miss Clark, sponsors the National Beta Club, which is designed to recognize outstanding achievement in the high school department. Requirements for membership are the same as for Phi Theta Kappa. The Intermont Chapter sponsored a chapel program in cooperation with Phi Theta Kappa.

PHI BETA

The Alpha Beta Chapter of Phi Beta National Professional Women's Music Fraternity received its charter at Intermont in 1939.

The members are bona fide students of music who are recommended for audition by music instructors in accordance with their talent, personality, character, and scholastic standing. Their auditions are in the form of a student recital, and they go through a training period in which they prove themselves to be earnest students. The purpose of the club is to promote the best in music and speech and to develop the highest type of womanhood. The club's activities this year have included student recitals, programs presented at the Veterans' Home, and monthly chapel programs.

DELTA PSI OMEGA

Membership requirements for this organization consist of acting or being on the crew of two 3-act plays and one 1-act play or of both acting and serving on the crew of two 1-act plays and one 3-act play. The students in this group must maintain an A average in all drama courses and a B average in other studies. The drama department presented two productions this year—*Southern Exposure* and *Angel Street*.

ALPHA PI EPSILON

Alpha Pi Epsilon is the honorary secretarial society on campus. To become a member, one must be a secretarial student with a B+ average in all classes.

AREANNES

Probably one of the largest organizations on campus, the Areannes, sponsored many projects throughout the year, the most outstanding of which were a formal dance, the annual supper for prospective Intermont girls, and "Peanut Week." Many of the members of the day students' club hold important positions on the Intermont campus, and they have certainly proven their ability as leaders. The Areannes is composed of those girls who live in Bristol or in the nearby area and who commute each day, and is a means by which local girls become more closely associated with Intermont and with their class activities.

NOSTRAE FILIAE

One of the most exclusive organizations on campus is the Nostrae Filiae club because it is composed of those girls whose mothers or grandmothers are alumnae of Virginia Intermont. The club has meetings throughout the year and has various social activities for its members.

LE CERCLE FRANCAIS

The newly established club, Le Cercle Francais, has already become an asset to the Intermont campus. Anyone taking the French language course is eligible for membership. It has broadened the interests of the language department of the college.

LITTLE UNITED NATIONS CLUB

The Little U. N. Club is made up of students from foreign countries. The purpose of the organization is to promote international understanding among the students and the community by sponsoring programs on the Intermont campus, in Bristol, and in the surrounding area. This year, a Little U. N. presentation was given on the bi-weekly T.V. series of "So This Is Intermont."

HILLEL CLUB

The Hillel Club is a religious organization composed of the Jewish girls. The purposes of the organization are to extend participation in school activities and to promote loyalty to the local temple.

The members have sponsored vesper programs each year.

CHRISTIAN STUDENT FELLOWSHIP

This denominational group is composed of Congregational, Lutheran, Christian, Christian Science, Unitarian, and all other religious sects not organized into individual groups. It sponsored a campus-wide hot dog roast in the Hut this year and the members of this group studied the separate denominations of which it is composed.

CANTERBURY CLUB

One of the most active clubs at Virginia Intermont is the group of Episcopal girls. Among its projects this year, the club has "adopted" a mission in St. Paul, Virginia, and has provided clothes and other necessary articles for them. The Canterbury girls each year give a party for the foreign students, as well as a "weenie roast" in February for the student body.

NEWMAN CLUB

The Newman club is composed of the Catholic girls here at V.I. The club was organized in 1950 and since then its purpose has been to strengthen the spiritual life of its members.

The activities of the Newman club include monthly Communion breakfasts, weekly Rosaries, and helping those in need. Some of the members attended the convention at U. Va. and the Retreat in Pinehurst, N. C.

WESLEY FOUNDATION

The Wesley Foundation is a club for the Methodist students on the campus. Its purpose is to help the Methodist girls to plan activities together and to be in fellowship with one another. This year they have participated in vesper programs and all other religious work on the campus.

WESTMINSTER FELLOWSHIP

The Westminster Fellowship is an organization of the Presbyterian girls on campus who wish to gain a better understanding of their own faith and the faiths of others. This year they have entertained at the Janie Hammitt and Katie Lockett Homes, and have aided in home mission fields.

Y. W. C. A.

The purposes of the Y.W.C.A. are to unite in the desire to realize full and creative life through a growing knowledge of God, to determine to have a part in making this life possible for all people, and to understand Jesus and follow him.

The organization is open to all those girls who accept the purpose of the National Student Y.W.C.A.

The first contact with the Y.W.C.A. here at V.I. came through the Big and Little Sister Plan. The club's succeeding activities are varied and of the utmost interest. Peanut Week, the Harvest Carnival, and those welcomed parties during exam week are all a part of the Y.W.C.A.'s program. It also sponsors the Christmas Party at the Janie Hammitt Home and the World University Service Drive.

Y. W. A.

The Young Woman's Auxiliary deals primarily with state, home, and foreign missions. It is an organization for Baptist girls who work with the Woman's Missionary Union of the Southern Baptist Convention. Each girl participates in taking Thanksgiving Baskets to the Janie Hammitt and Katie Lockett Homes and in helping at the Goodwill Center and giving an Easter Egg Hunt for the Goodwill Center children. This organization has two beautiful vesper services, one at Christmas and one at Easter. The Y.W.A. received the 50th Anniversary award this year for being the only college Y.W.A. in the Southern Baptist Convention to achieve all the 50th anniversary goals.

RELIGIOUS PLANNING BOARD

The Religious Planning Board is the campus agency for coordinating the programs of all denominational and other religious organizations. Its members include the presidents and devotional chairmen of the various denominational groups, plus a day student representative.

The Board has sponsored morning and evening devotions and assisted in planning vesper programs and always to be remembered Religious Focus week, and other religious functions here on campus.

B. S. U.

The Baptist Student Union is the link between the college student and the church. The Virginia Intermont B.S.U. has attained the award of First Magnitude for the past four years. It sponsored a campus party at the beginning of the year and an all-campus breakfast later on and sent delegations to conventions throughout Virginia. The B.S.U. has as its goal the spiritual growth and development of each student.

HOME ECONOMICS CLUB

The purpose of the Home Economics Club is to promote wholesome social affairs, and to combine educational and business interests in worth-while community activities.

Anyone interested in home economics is eligible for membership. Each year, Christmas gifts are given to the Janie Hammitt Home by the members of the club. In addition to the Christmas party, the club had two outings this year, one in the fall and the other in the spring.

TIP 'N RUN CLUB

The Tip 'n Run Club is an organization for the waitresses of V.I., who make the dining room so pleasant and gay. The club has several parties throughout the year, the highlight of which is an annual banquet on St. Patrick's Day during which Miss Pinafore is crowned. Miss Pinafore is chosen for her friendliness, neatness, cooperativeness, and cheerfulness and will be the Dining Room Hostess for the next year. Miss Patricia Roark was chosen Miss Pinafore this year.

NURSES' CLUB

Any Junior or Senior student currently enrolled in the college department of Nursing, who has at least a C average is eligible for membership in the Nurses' Club. The purpose of the club is to stimulate interest and participation in the activities of allied professions in the field of health protection. This year the club sponsored a health week, a clinic on health problems, and a dance.

CURRY CLUB

The Curry Club consists of the girls enrolled in the Drama and Speech departments and those students who wish to participate actively in dramatic programs. This year the club initiated a banquet which will be given annually and it produced many plays, two of the major ones of which were, "Southern Exposure" and "Angel Street."

ART CLUB

The Art Club, under the sponsorship of Mrs. John Atwood, is open to all girls interested in art.

This year projects of the Art Club have included decorations for the Senior Dance, exhibits in the Art Department, and traveling exhibits in Richmond, posters exhibiting V.I.'s activities, and a dance. The members of the club also appeared on television station WCYB portraying "An Art Class At Work."

ATHLETIC ASSOCIATION

The purposes of the Athletic Association are to provide an opportunity for participation and leadership in sports by the students and to promote good sportsmanship between the classes.

The main project of the A.A. is the Song Contest, which is held in the fall. It was held in the amphitheater for the first time this year. The classes are in competition then and throughout the year to win the A.A. Trophy, which is awarded at the end of the year to the class having the highest number of points for intramurals and A.A.-sponsored activities. The girls who participate in these sports and activities receive an A. A. award at the Athletic Association Banquet for achieving 1000 points.

BOOTS AND SADDLE CLUB

All students who are currently enrolled in the Equitation Department and who withstand an initiation ceremony are eligible for the Boots and Saddle Club. Its purpose is to promote and stimulate interest in group riding and to help all those interested in improving their horsemanship. The club has an annual horse show that is a main event in the commencement activities. It also sponsored a Gymkhana, and parties throughout the year.

H₂O CLUB

The members of the H₂O Club must pass a rigid swimming and diving test and have exceptional interest in swimming. The girls practice for many months for the Annual Water Pageant in March, the dazzling scenery and the synchronized swimming routines of which have made this event an outstanding contribution to the social activities at Intermont. They also sponsor the recreational swimming program which provides enjoyment for so many.

Florence Sutton, Copy Editor, Intermont
Virginia Intermont College
Bristol, Va.

Dear Miss Sutton:

It was a great privilege to be chosen to select the beauties for the Feature Section of The Intermont, and my sincere thanks for the pleasure. The choices, however, represent only the wildest guess on my part. Only someone who had actually seen these pretty girls in person could possibly choose between them. It would require a crystal ball or extra-sensory perception to penetrate the barrier here of diffusion and retouching.

Under these circumstances, it would be hard for me to comply with your request for a letter 'explaining the reasons' for my choices.

Best wishes,

Jon Whitcomb

A Tribute to Elinor Harkleroad

Elinor, we, the Senior Class of Virginia Intermont College of 1958, are proud of you. You have led us on through the happy moments and through the sad moments. No matter how cloudy the way seemed, we could always go to you and you were always there to help with your wonderful and sincere smile.

You have meant a great deal to us, have given us every chance when we least deserved it. You have sacrificed your time for us.

Now as we go through these hallowed doors for the final time and as the shadow of the tower fades into our past, we shall never forget you. For always you will be among our cherished memories of V. I.

And as we separate and go our different ways may your future life bring you many joys, and may you be a blessing to others as you have been to us, dear Elinor.
